Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner indicated to the Attorney, Mr. Donahue, that if the limitations of claims 3 and 10 were added to independent claims 1 and 9 respectively, the application would be placed in a condition for allowance. The Examiner also indicated that it appeared that the word "twisted" in claim 1 should be replaced with the word "twisting" as further seen in claim 9. The Attorney agreed with the Examiners suggestions and therefore the application has been placed in a condition of allowance. The Attorney gave permission for an Examiners Amendment with respect to the discussed changes.
